

CAROLINE
VERTICCHIO

I'm Caroline, a junior front-end developer, travel enthusiast, animal-lover, and high soprano. After working in healthcare I decided to alter my path and pursue a career in programming. I am excited to use my skills to create beautiful applications.

DEV. SKILLS & EXPERIENCE

The Iron Yard-- Greenville, SC

Front End Engineering Student: Fall 2016

The Iron Yard is a 12-week front-end development program that teaches the latest technologies and best practices. Students complete daily assignments that test their knowledge and allow for development and refining of programming skills.
